The Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP) is a not-for-profit (501(c)(3)) corporation initially organized under the laws of Massachusetts and currently incorporated under the laws of Texas. The purpose of the CoAEMSP is to serve the public, the Emergency Medical Services (EMS) professions, and the programs delivering professional education in the Emergency Medical Services professions, by providing services for national voluntary accreditation of paramedic programs in the United States as a Committee on Accreditation (CoA) of the Commission on Accreditation of Allied Health Education Programs (CAAHEP), subject to the bylaws, policies, and procedures of both organizations.

For additional information, documents, and procedures related to CoAEMSP and its policies, consult our [website](#).

I. SEEKING ACCREDITATION

All new programs follow the same pathway to enter the accreditation system. Programs first seek a Letter of Review (LoR) issued by CoAEMSP.

NOTE: the Letter of Review is NOT a CAAHEP accreditation status, it is a status granted by the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP) signifying that a program seeking initial accreditation from CAAHEP has demonstrated sufficient compliance with the CAAHEP accreditation Standards through the Letter of Review Self Study Report (LSSR) and other documentation. Letter of Review is recognized by the National Registry of Emergency Medical Technicians (NREMT) for eligibility to take the NREMT's Paramedic credentialing examination(s). However, it is NOT a guarantee of eventual accreditation by CAAHEP.

A. Letter of Review (LoR) Process

1. Submit the Letter of Review Self Study Report (LSSR), along with the LSSR Invoice Request Form, which details the required non-refundable/non-transferable fees of the first CoAEMSP annual fee (prorated by month of submission of the LSSR), Self Study Report Evaluation fee plus the Technology fee. (see Fees webpage).

NOTE: Program Director - Arrange for an official transcript for a minimum of a baccalaureate degree to be sent directly from the originating college to the CoAEMSP Executive Office.

2. Accreditation documents (LSSR organizational chart, articulation agreement, and consortium sponsorship agreement {if applicable}) are reviewed for meeting the provisions of the designated core content of the CAAHEP *Standards and Guidelines*.
3. The authority to issue the LoR is delegated to the Executive Director, subject to approval by the Chair.
 - a. The Executive Director may recommend to the Chair, a Letter of Review after analysis of the LSSR and any additional material submitted if:
 - i. The program appears to be in substantial compliance with the core CAAHEP *Standards and Guidelines*, and
 - ii. Such action is consistent with previous similar actions of the CoAEMSP Executive Office, and
 - iii. The program has met all administrative requirements for the LoR.
 - b. If the core information is not satisfactory, then CoAEMSP Executive Office will communicate that and wait for re-submission by the program to address the deficiencies.
4. Upon receipt of the LoR, the program must submit the start date of the next enrolled LoR class and the on-time end date of that class.
5. The Initial-accreditation Self Study Report (ISSR) is due to the CoAEMSP Executive Office no later than six (6) months after the on-time graduation date of the LoR class.

NOTE: When the complete core content review is conducted, there may be areas that require additional information. Plagiarism in any documents will result in immediate rejection. Additional non-refundable/non-transferable fees may apply for re-submissions based on unsatisfactory core content deficiencies.

B. During the Letter of Review (LoR) Period

1. Collection of Data

The program must collect the patient contact tracking data in accordance with the minimum required numbers established by the program.

2. Publication of LoR Status

Prior to CoAEMSP Executive Office issuing a Letter of Review (LoR), no mention of the CoAEMSP Executive Office Letter of Review or the CAAHEP accreditation process may be made by or for the Paramedic educational program.

- a. If a program holds a CoAEMSP Executive Office Letter of Review, the sponsor must use the following language when referring that status:

In at least one of its comprehensive publications customarily used to officially convey institutional information, it **must** state:

"The [name of sponsor] Paramedic program has been issued a Letter of Review by the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP Executive Office). This letter is NOT a CAAHEP accreditation status, it is a status signifying that a program seeking initial accreditation has demonstrated sufficient compliance with the accreditation Standards through the Letter of Review Self Study Report (LSSR) and other documentation. Letter of Review is recognized by the National Registry of Emergency Medical Technicians (NREMT) for eligibility to take the NREMT's Paramedic credentialing examination(s). However, it is NOT a guarantee of eventual accreditation.

To contact CoAEMSP Executive Office:

8301 Lakeview Parkway Suite 111-312
Rowlett, TX 75088
214-703-8445
FAX 214-703-8992
www.coaemsp.org"

- b. Provided the requirements of paragraph "I.B.2.a" above have been met, when the sponsor additionally publishes the Letter of Review status of the program, it must state:

"The [name of sponsor] Paramedic program holds a Letter of Review, which is NOT a CAAHEP accreditation status, but is a status granted by the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP) signifying that a program seeking initial accreditation has demonstrated sufficient compliance with the accreditation Standards through the Letter of

Review Self Study Report (LSSR) and other documentation. However, it is NOT a guarantee of eventual accreditation."

- c. Provided the requirements of paragraph "I.B.2.a." above have been met, the sponsor may choose, but is not required, to include the program accreditation statement in small publications such as newspaper ads, flyers, pamphlets, etc.

C. Suspension, Revocation, or Voluntary Withdrawal of the Letter of Review

In the sole discretion of the CoAEMSP, the Letter of Review may be suspended or revoked for any of the following circumstances:

- Failure to remain in substantial compliance with all CAAHEP *Standards*.
- Lack of a qualified Program Director.
- Lack of a qualified Medical Director.
- Failure to meet administrative requirements.
- Failure to meet established deadlines.

Any program sponsor which has had the Letter of Review (LoR) revoked or has voluntarily withdrawn its LoR, is prohibited from re-entering the LoR process for three (3) years, beginning on the effective date of the revocation/withdrawal. This includes new submissions of "substantively the same" programs. After the three (3) year moratorium, if the program sponsor wishes to reapply it will be considered a new program and must follow the procedures outlined in Section I Seeking Accreditation of this document.

Determination of "substantially same program sponsor" and the duration of the re-entry prohibition is at the sole discretion of the CoAEMSP Executive Office.

1. If the Letter of Review (LoR) of a program is suspended by CoAEMSP:

- a. It must inform all students and applicants in writing, and must disclose this sanction whenever reference is made to its CoAEMSP status, by including the statement:

"The paramedic program of [name of sponsor] holds a Letter of Review from CoAEMSP, which has been suspended as of [date of suspension]."

- b. Within fifteen (15) calendar days of the suspension, the program must submit to CoAEMSP Executive Office the written notice that was sent to the current students, the date it was sent, a description of how the program informs applicants, and the documentation provided to applicants of the LoR suspension.

Since suspension of the LoR may be a temporary status, publications that are published less frequently than once a year (e.g., catalogues) are not required to carry the above wording. However, whenever such publications are distributed to the program's current students or potential applicants, they must include an insert containing the above language. Any promotional pieces, print advertisements or areas on the program's website that make reference to LoR status must include the above language about suspension.

2. If the Letter of Review (LoR) of a program is revoked by CoAEMSP, it must remove all references to a Letter of Review and CoAEMSP and must:
 - a. Disclose this sanction to applicants in writing with the following statement:

“The Letter of Review for paramedic program of [name of sponsor] has been revoked by CoAEMSP as of [date of revocation].”
 - b. Within fifteen (15) calendar days of the revocation, the program must submit to CoAEMSP Executive Office a description of how the program informs applicants, and the documentation provided to applicants of the LoR revocation, and
 - i. provide the names, email addresses, and on-time date of completion of all currently enrolled students, and
 - ii. provide the permanent location of student records, and
 - iii. provide a teach-out plan, and
 - iv. maintain a qualified and approved Program Director to validate NREMT (or State) eligibility for all students until they have taken their NREMT (or State) examinations.
3. A program may request voluntary withdrawal of the LoR at any time by officially communicating to CoAEMSP Executive Office:
 - a. the request authorized by the President/CEO of the sponsor,
 - b. the date of that request,
 - c. the requested effective date of the voluntary withdrawal (not later than the due date of the ISSR or the on-time completion date of the currently enrolled students, whichever occurs earlier),
 - d. the names, email addresses, and on-time date of completion of all currently enrolled students, and
 - e. the permanent location of student records, and
 - f. a teach-out plan, to include who is responsible to complete the current cohort to point of eligibility for NREMT (or State examination).

CoAEMSP Executive Office will make the final determination of the effective date of withdrawal.

NOTE: A program official must remain available to continue to validate NREMT eligibility.

D. Reapplication Process

All program sponsors must follow the same pathway to re-enter the accreditation system outlined in "Section I. Seeking Accreditation" of this document. Programs first seek a Letter of Review (LoR) issued by CoAEMSP.

For any program sponsor that has the Letter of Review (LoR) revoked or voluntarily withdrew its LoR is prohibited from re-entering the LoR process for three (3) years from the effective date of the revocation/withdrawal and wish to reapply will be considered a new program and must follow the procedures outlined in Section I Seeking Accreditation of this document.

Determination of “substantially same program sponsor” and the duration of the re-entry prohibition is at the sole discretion of the CoAEMSP.

II. ACCREDITATION PROCESS

All documents and communications involved in the accreditation and re-accreditation processes conducted by the CoAEMSP Executive Office will be in the English language.

III. ACCREDITATION STATUSES AND ACTIONS

A. Initial Accreditation

...is the first status of accreditation granted by CAAHEP upon the recommendation of CoAEMSP, to a program that has demonstrated substantial compliance with CAAHEP *Standards*. Initial accreditation is for a period of five (5) years. At any point during the initial accreditation period, a program may be recommended for continuing accreditation or, if warranted, for probationary accreditation. Initial Accreditation may expire at the end of the five (5) years if the program has not successfully completed the continuing accreditation process. A program may request reconsideration of CoAEMSP's decision to allow Initial Accreditation to expire. However, CoAEMSP's final decision is not appealable.

B. Continuing Accreditation

...is granted by CAAHEP, upon the recommendation of CoAEMSP, to a program after it is re-evaluated at specified intervals by comprehensive review (i.e., self-study report and site visit) and demonstrates that it remains in substantial compliance with the CAAHEP *Standards*. Comprehensive reviews occur approximately every five (5) years.

C. Probationary Accreditation

...is a temporary status of accreditation imposed by CAAHEP, upon the recommendation of CoAEMSP, when a program does not continue to meet CAAHEP *Standards* but should be able to meet them within the specified time.

D. Withhold of Accreditation

...is an action taken when a program seeking initial accreditation is not in compliance with the CAAHEP *Standards*.

E. Withdrawal of Accreditation - Involuntary

...is an action taken when an accredited program is no longer in compliance with the CAAHEP *Standards*.

F. Withdrawal of Accreditation - Voluntary

A sponsor may voluntarily withdraw a program from the CAAHEP system of accreditation by submitting to CAAHEP the appropriate template letter signed by the President/CEO of the sponsor or by another designated individual (NOT the Program Director).

The request must include the following the:

1. date of enrollment of the last class under CAAHEP accreditation;
2. date of graduation of the last class under CAAHEP accreditation; and
3. location where all records will be kept for students who have completed the program.

G. Withdrawal of Accreditation – Voluntary in Lieu of an Adverse Action

When a program chooses to voluntarily withdraw rather than have a recommendation sent to CAAHEP for an adverse action (probationary accreditation or withdrawal of accreditation-involuntary), the effective date of that voluntary withdrawal will be the same as the date on which the CAAHEP Board would have considered the recommendation for an adverse action.

H. Inactive Status

Programs with **continuing or probationary accreditation** may request period of inactive status. A program may remain inactive for up to two (2) years. During this time, the program is required to pay all non-refundable/non-transferable fees to CoAEMSP and CAAHEP. No students may be enrolled or be matriculated in the program during the time period in which the program is inactive. To request an inactive status, a program must submit the appropriate CAAHEP request for Inactive Status letter.

To reactivate the program, the President/CEO or an officially designated representative of the sponsor must provide notice of its intent to do so in writing to both CAAHEP and the CoAEMSP Executive Office.

I. Administrative Probation

... is a temporary status imposed when a program has not complied with administrative requirements.

The CoAEMSP Executive Office may request that CAAHEP place a program on Administrative Probation for failure to provide a “Sufficient Program Response” for the following circumstances. If a program is placed on Administrative Probation, the CoAEMSP Executive Office would request removal of Administrative Probation once the program has made the specified “Sufficient Program Response” as follows:

Required Action by Program on or before CoAEMSP specified deadline	Sufficient Program Response
Payment of fees	Full payment of non-refundable/ non-transferable fee(s), including processing fees if applicable, has been received in the CoAEMSP Executive Office, has been deposited in the CoAEMSP account, and has cleared the originating bank.
Submission of Initial-accreditation Self Study Report (ISSR) or Continuing-accreditation Self Study Report (CSSR)	A substantially complete electronic ISSR/CSSR must be uploaded to the CoAEMSP fileshare by designated due date.

Required Action by Program on or before CoAEMSP specified deadline	Sufficient Program Response
Submission of a Progress Report	A substantially complete Progress Report must be submitted by designated due date.
Submission of the Annual Report	A substantially complete Annual Report has been received electronically in the CoAEMSP Executive Office by designated due date.
Notification of change in key personnel <ul style="list-style-type: none"> • President/CEO • Dean (<i>or comparable administrator</i>) • Billing Contact • Program Director • Medical Director • Associate Medical Director • Assistant Medical Director • Lead Instructor 	The Key Personnel Change form and appropriate supporting documentation have been received by the CoAEMSP Executive Office by the deadline, as specified in policy.
Notification of intent to transfer program sponsorship	A letter from the President/CEO or designee of the current sponsor AND a completed CAAHEP Request for Accreditation Services form from the new sponsor, have been received in the CoAEMSP Executive Office.
Scheduling of on-site review	The program has agreed to a reasonable date that provides sufficient time for CAAHEP to act on a CoAEMSP recommendation.

Failure to address Administrative Probation may lead to a recommendation by CoAEMSP to CAAHEP for Withdrawal of Accreditation.

J. Change of Name/Change of Ownership

(Does not require CAAHEP Board action) If a sponsoring institution undergoes a change of name and/or change of controlling ownership, this information must be submitted to CAAHEP and the CoAEMSP Executive Office in a letter or email. If the CoAEMSP Executive Office determines that such change will have no impact on the accredited program(s), it will notify CAAHEP of that fact and no CAAHEP Board action will be necessary. If the change is more significant and will impact factors mentioned in CAAHEP Policy 207 then it will be considered a Transfer of Sponsorship and should follow the procedure outlined in that section.

K. Transfer of Sponsorship (see CAAHEP Policy 207 for procedure)

CAAHEP accreditation cannot be transferred from one program to another. However, sponsorship of a CAAHEP accredited program may be transferred from one educational institution to another and such transfer may or may not affect the accreditation status of the program.

If critical factors such as sufficiency of funding sources, curriculum, faculty and facilities will remain unchanged, then the request for transfer of sponsorship will be considered without any change in the program's accreditation status.

If the materials submitted to the CoAEMSP Executive Office indicate that the program continues to be in compliance with the CAAHEP *Standards*, the CoAEMSP recommends to CAAHEP approval of the transfer of sponsorship and an appropriate accreditation category, with or without a progress report requirement. The CoAEMSP Executive Office determines applicable non-refundable/non-transferable fees and informs the new sponsor of these fees.

L. Program Closure Requirements

In the event a program closes due to Withhold of Accreditation, Withdrawal of Accreditation, or Expiration of Accreditation, the program is required to provide the following:

1. the names, email addresses, and on-time date of completion of all currently enrolled students, and
2. on-time completion date of the currently enrolled students, and
3. teach-out plan, to include who is responsible to complete the current cohort to point of eligibility for NREMT (or State examination).

IV. MAINTAINING ACCREDITATION

A. Publishing of Program Accreditation Status

1. Prior to the scheduling of a CAAHEP sanctioned site visit by the CoAEMSP, NO mention of CAAHEP accreditation may be made for the Paramedic program.
2. Once a site visit has been scheduled by the CoAEMSP Executive Office, a Paramedic educational program may publish the following statement:

"The [name of sponsor] Paramedic program has a site visit scheduled for pursuing initial accreditation by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) (www.caahep.org). This step in the process is neither a status of accreditation nor a guarantee that accreditation will be granted."

There should be no claims of timelines or when accreditation might be achieved.

3. If a program has CAAHEP accreditation, the sponsor must use the following language when referring to that accreditation:

- a. In at least one (1) of its comprehensive publications customarily used to officially convey institutional information, it must state:

"The *[name of program]* is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP).

Commission on Accreditation of
Allied Health Education Programs
25400 US Highway 19 N., Suite 158
Clearwater, FL 33763
727-210-2350
www.caahep.org

To contact CoAEMSP:
8301 Lakeview Parkway
Suite 111-312
Rowlett, TX 75088
214-703-8445
FAX 214-703-8992
www.coaemsp.org"

- b. Provided the requirements of paragraph "IV.A.3.a." above have been met, when the sponsor additionally publishes the accreditation status of the program, it must state:

"The paramedic program of *[name of sponsor]* is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP)."

- c. Provided the requirements of paragraph "IV.A.3.a." above have been met, the sponsor may choose, but is not required, to include the program accreditation statement in small publications such as newspaper ads, flyers, pamphlets, etc.

4. If a program has been placed on Probationary Accreditation by CAAHEP, it must inform all students and applicants in writing, and must disclose this sanction whenever reference is made to its accreditation status, by including the statement:

"The paramedic program of *[Name of sponsor]* is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP). The program has been placed on Probationary Accreditation as of *[date of Probation action]*."

Since Probationary Accreditation is a temporary status, publications that are published less frequently than once a year (e.g., catalogues) are not required to carry the above wording. However, whenever such publications are distributed to the program's current students or potential applicants, they must include an insert containing the above language. Any promotional pieces, print advertisements or areas on the program's website that make reference to accreditation status must include the above language about Probationary Accreditation.

B. Progress Reports

Accredited programs may be required to submit one (1) or more Progress Reports to document compliance with the CAAHEP *Standards and Guidelines*. After the 2nd Progress Report, failure to meet a standard or to make significant progress in addressing a citation by the stated deadline may lead to an adverse accreditation action (e.g., probationary accreditation).

C. Substantive Changes in a Program

Programs must notify the CoAEMSP Executive Office of change in sponsorship, change in program location, addition of a satellite location, addition of a distance learning program, change in sponsor administration personnel, or program key personnel. Substantive changes require submission of supporting documentation, and may require immediate submission of a Progress Report and/or submission of a Self- Study Report and/or scheduling of a site visit.

D. Annual Report

CAAHEP accredited programs are required to submit an Annual Report (AR) by the deadline set by the CoAEMSP Executive Office. The CoAEMSP Executive Office will review Annual Reports of accredited programs. The review consists of outcomes meeting thresholds, other CAAHEP accreditation Standards continuing to be met as well as other information included in the report. The CoAEMSP Executive Office will notify programs of any deficiencies and required follow up, including Standardized Progress Reports (SPR), where thresholds are not met.

1. All programs must publish, preferably in a readily accessible place on their websites, the three (3)-year review window average results of the outcomes for: National Registry (or State, as applicable) Written and Practical Exams, Retention, and Positive Placement.
2. At all times, the published results must be consistent with and verifiable by the on-line Annual Report of the program.
3. Each year in the Comments tab of the Annual Report, the program must state the website link (or other publication) where its results are published.
4. Programs not using a website must describe in the Comments tab the publication(s) used and submit those publication(s) as part of the Annual Report using the Related Documents tab.

E. Comprehensive Review Period

CoAEMSP conducts comprehensive reviews (i.e., self-study report and site visit) approximately every five (5) years.

F. State Office of EMS Communication Process

The CAAHEP accreditation process is a separate process from any state's approval process, even if a state mandates compliance with the CAAHEP *Standards and Guidelines* for state approval.

1. State Office of EMS will be notified of upcoming program site visits and State Office Representative(s) may accompany a CoAEMSP site visit team as an observer.
2. Wherever practicable, the CoAEMSP Executive Office will accommodate requests for site visits to be conducted jointly by CoAEMSP Executive Office and the State Office of EMS. The final decision on this matter is at the sole discretion of the CoAEMSP Executive Office.
3. The CoAEMSP Executive Office may, at its discretion, share information regarding the Paramedic program's CAAHEP accreditation and/or CoAEMSP Letter of Review status with relevant State Office(s) of EMS, the sponsor's institutional accrediting organization, and the National Registry for Emergency Medical Technicians (NREMT), at any time.

V. SITE VISIT PROCESS

See Site Visitor Manual.

VI. COMPLAINT PROCESS

Complaints to the CoAEMSP will be managed by the Executive Committee.

A. Complaints about Committee Personnel

If a complaint is received about a site visit that alleges that the integrity of the site visit is compromised, an investigation will be conducted and presented to the Chair of the Site Visit Subcommittee, who will assess the facts and will recommend appropriate remedial action to the Executive Committee. If the Executive Committee concurs, appropriate remedial action will be taken.

B. Complaints about Accredited Programs

1. The CoAEMSP Executive Office will acknowledge receipt of the complaint regarding a CAAHEP accredited program in writing to the complainant.
2. The CoAEMSP Executive Office may request additional information from the complainant.
3. The Executive Committee will determine if the allegation is **relevant** (i.e. substantially relates to one (1) or more of the CAAHEP *Standards and Guidelines*).
4. The CoAEMSP Executive Office will notify the complainant in writing that no action can be taken if the allegation is not relevant.
 - a. The CoAEMSP Executive Office will advise the program and the complainant to meet in an attempt to resolve the matter and to notify the CoAEMSP Executive Office of the matter is resolved.

- b. The Executive Committee will require the program to respond in writing within thirty (30) days to the substance of a relevant allegation, a copy of which notice will be forwarded to the complainant.
 - c. The Executive Committee will review the response and determine if the complaint is **meritorious** (i.e. one (1) or more of the CAAHEP *Standards and Guidelines* have not been met).
5. The CoAEMSP Executive Office will notify the program and the complainant in writing that no action will be taken if the complaint is not meritorious.
 6. The Executive Committee will require the program to submit Progress Reports if one (1) or more of the CAAHEP *Standards and Guidelines* are not being met and a copy of the notice will be forwarded to the complainant.
 7. The CoAEMSP will make recommendations regarding accreditation status at the next meeting of the CoAEMSP Board of Directors following the due date of the Progress Report in accordance with its policies and procedures.
 8. The CoAEMSP Executive Office will not respond to anonymous complaints.

VII. CONFIDENTIALITY

- A. All information, not otherwise public, regarding specific program accreditation or re-accreditation recommendations of the CoAEMSP is confidential.
- B. Any information, not otherwise public, regarding sponsors, programs, personnel, students, or affiliates will not be disclosed to any person or entity, either directly or indirectly, at any time during the accreditation process or at any time in the future.
- C. Any documents, not otherwise public, regarding sponsors, programs, personnel, students, or affiliates will not be revealed to any person or entity, either intentionally or unintentionally, at any time during the accreditation process or at any time in the future.
- D. All files containing confidential information or documents, whether paper or electronic, will be disposed of securely once the official duties performed on behalf of the CoAEMSP have been completed, with the exception of one (1) copy of all such files which will be retained at the CoAEMSP Executive Office.
- E. Any breach of confidentiality may result in disciplinary action, which may include termination of employment as a staff member, site visitor, consultant, liaison representative, or agent of the CoAEMSP, or legal action against a board member, site visitor, consultant, liaison representative, or agent of the CoAEMSP.
- F. All board members, site visitors, consultants, liaison representative, and agents of the CoAEMSP will be required, on an annual basis, to attest in writing to their agreement to abide by these policies.

VIII. CONFLICT OF INTEREST

- A.** A conflict of interest will be deemed to exist with respect to a particular matter when any Board member, site visitor, consultant, liaison representative, or agent of the CoAEMSP, immediate family, immediate employer, or sponsor, is directly associated with a program whose accreditation is to be acted upon, or stands to realize financial or similar tangible personal or proprietary gain as a result of any action of the CoAEMSP.

5. Programs that have not satisfied in full the amount designated in the 4th notice by five (5) business days prior to the CoAEMSP meeting following the date of administrative probation may be subject to a recommendation of Withdrawal of Accreditation. Programs recommended for Withdrawal of Accreditation will be sent a 5th notice and are subject to an additional processing fee.

X. PROGRAM PERSONNEL DEGREE REQUIREMENT

A. Program Director Degree Requirement

For programs that applied for accreditation prior to January 1, 2011, where the then Program Director, who has remained continuously in that position with the same program, did not possess a Bachelor degree, must be currently enrolled and making continual satisfactory academic progress¹ towards a Bachelor degree (in any major). Progress toward that degree must be reported in the form of an official transcript sent directly from the awarding institution to the CoAEMSP Executive Office once per year by the deadline designated by the CoAEMSP Executive Office. Failure to report, or to make satisfactory academic progress, may result in probationary accreditation. Failure to meet the requirements of this section by programs on probationary accreditation may result in withdrawal of accreditation.

B. Lead Instructor Degree Requirement

Effective July 1, 2017, all accredited programs or Letter of Review (LoR) programs adding or identifying a Lead Instructor must fill the position with an individual meeting all qualifications prescribed under the current CAAHEP *Standards and Guidelines*, including possession of an Associate Degree. The Associate Degree may be in any area of study.

Lead Instructors who have been in this position continuously from date of hire prior to the 2015 CAAHEP Standards who do not meet the Associate Degree requirement

¹ At least fifteen (15) semester hours, or equivalent, per CALENDAR YEAR.

prescribed under the current CAAHEP *Standards and Guidelines* may continue in the role of Lead Instructor with that program, so long as that program continuously maintains CAAHEP accreditation. Should there be a change in the Lead Instructor, the new Lead Instructor MUST meet 2015 CAAHEP *Standards*.

XI. DISTANCE EDUCATION

A. Distance Education – Method of Instruction

A formal educational process in which the majority of synchronous and asynchronous instruction occurs when student and instructor are not in the same place. Distance education includes, but is not limited to, correspondence study or audio, video and/or computer/internet technologies.

B. Distance Education Program

Delivery of a complete program that allows the completion of the entire curriculum without the need to attend any instruction on a campus location. (Note: this delivery is not hybrid or partial e-learning delivery).

C. Out-of-State Physicians

The program must provide evidence of a formal relationship with a licensed physician currently authorized to practice in **each** state where the program's students are participating in patient care, and to accept responsibility for the practice of those students.

D. State Office of EMS Notification(s)

For **each** state in which the program has enrolled students, the program must provide evidence that it has successfully notified and gained approval from the State Office of EMS that the program has Paramedic students in that state.

XII. SECTIONS AND SATELLITES

Paramedic programs may be delivered in various settings by various methods to various groups of students (cohorts):

A. Main Campus

...the location designated by the sponsor as the primary location of the program and where students attend to complete the laboratory (or similar hands-on skills) professional courses of the curriculum.

B. Program Section

...the delivery of the program to a distinct cohort of students who attend the main-campus for one or more of the laboratory (or similar hands-on skills) professional course(s) of the curriculum. A cohort may be distinguished by time of day for primary completion of the curriculum (e.g., day vs evening), by day of the week for primary completion of the curriculum (e.g., weekday vs weekend), or by contract with a third party for a specified group of students (e.g., employees of a municipal fire service). Each section is reported as a separate enrolled class in the Annual Report.

The section would have the same curriculum and same graduation requirements.

C. Program Satellite

...off-campus location(s) that are advertised or otherwise made known to individuals outside the sponsor where students can complete the **laboratory (or similar hands-on skills) professional course(s) without attending the main campus**. A satellite does not pertain to sites used by a completely on- line/distance education program for individual students. Satellite(s) are included in the CAAHEP accreditation of the sponsor and function under the direction of the Key Personnel of the program (see also CAAHEP Policy 209 B Alternative Models of Education – Satellites).

CoAEMSP approval of a program satellite location and each cohort of students enrolled at that location requires:

1. Submission by the sponsor of a CoAEMSP Request for Approval of a Satellite Location form for **each** location and **each** entering class at least thirty (30) days in advance of the class start date. The form must include the number of students anticipated to enroll, the start date, and the on-time graduation date for that class.
2. Payment of the non-refundable/non-transferable annual satellite fee is required before final approval will be granted.
3. Upon review of the Request for Approval information, the Executive Director will determine any additional review activities, including but not limited to:
 - a. Submission of a Satellite Self Study Report to the CoAEMSP Executive Office
 - b. A site visit of the satellite location
4. After the CoAEMSP Executive Office has approved a satellite location, the program **MUST** notify The CoAEMSP Executive Office immediately if there are any changes to that location specific to:
 - a. the number of students enrolled in the class
 - b. the class not starting, or
 - c. the start date or on-time graduation date

Both CAAHEP and the CoAEMSP Executive Office track each satellite location and each approved class. It is imperative that changes are made known to the CoAEMSP Executive Office. (The CoAEMSP Executive Office communicates the information to CAAHEP.) Failure to obtain approval for each class at each satellite location may result in the graduates from that location/class not being eligible for the NREMT's Paramedic credentialing examination(s) for Paramedic.

5. The program should ensure that all requirements to operate are approved in advance by the State Office(s) of EMS in which the main campus and satellite location are located.
6. If the program has a satellite location outside of the state in which the main campus is located; then the program is required to have a Medical Director that can legally provide supervision for out-of-state location(s). If the program's Medical Director or Associate Medical Director cannot provide out-of-state supervision, then the sponsor must appoint an Assistant Medical Director (Standard III.B.4.).

7. When a program has an Assistant Medical Director, the program must seek approval of the Assistant Medical Director following the Personnel Change procedure posted on the [CoAEMSP website](#).

Once accreditation is extended by CAAHEP to a satellite location, future re-accreditation review activities will be coordinated with re-accreditation of the main campus location.

The Executive Director will determine whether a separate Annual Report (separate CoAEMSP program number) will be required for the satellite location or whether the satellite cohorts should be included in the main campus Annual Report.

XIII. CONSORTIUM SPONSORSHIP

A. Consortium Agreement

A template consortium agreement is available on the [CoAEMSP website](#)

B. Consortium Organizational Chart

A template for the consortium organization chart is available on the [CoAEMSP website](#).

The organizational chart should include, but not be limited to, the following components:

- Consortium members (organizations)
- Consortium governing body, including designation of the Chair and Vice-Chair
- Advisory Committee
- Program Director
- Medical Director
- Classroom Instructors
- Hospital/Clinical Affiliates
- Field Experience/Internship Sites

XIV. REQUEST FOR RECONSIDERATION OF AN ADVERSE RECOMMENDATION

- A.** When the CoAEMSP Board of Directors first formulates a recommendation of Withhold of Accreditation, Probationary Accreditation, or Withdrawal of Accreditation, the President/CEO of the sponsor will be notified in writing of that CoAEMSP recommendation to CAAHEP. The sponsor will have fourteen (14) calendar days after receipt of that written notice (sent certified mail, return receipt requested) to request reconsideration of that recommendation or to request voluntary withdrawal of its accreditation or application.
- B.** The notification will include the specific areas where the program was found deficient (CAAHEP Standards cited), the rationale for those citations, and the suggested documentation by which the Program may demonstrate its compliance with the CAAHEP *Standards*.
- C.** If the Program does not request reconsideration by the deadline, the original CoAEMSP recommendation is forwarded to CAAHEP with the correspondence documenting that the Program was notified of its rights and that due process was followed.

- D. If the Program requests reconsideration, it is notified of a deadline to submit additional (new) material for consideration by the CoAEMSP Executive Office.
- E. The CoAEMSP Executive Office will place reconsideration of the original recommendation on its next agenda following the Program's deadline for submission of materials.
- F. The Review Team presents a proposed recommendation for the reconsideration action by the CoAEMSP Board of Directors based on all the materials at the time of the original recommendation as well as all new materials submitted by the Program. For programs holding a Letter of Review (LoR), the Review Team formulates a separate recommendation on the status of the LoR.
- G. The CoAEMSP Board of Directors formulates a recommendation to CAAHEP for:
 - 1. Initial Accreditation or Withhold Accreditation for programs holding a Letter of Review, or
 - 2. Continuing Accreditation, Probationary Accreditation, or Withdrawal of Accreditation for currently accredited programs, including the CAAHEP Standards cited, the rationale for each citation, and the suggested documentation to correct each citation.
- H. If the CoAEMSP Board of Directors formulates a recommendation that could change the CAAHEP accreditation status of the program, the recommendation is forwarded to CAAHEP along with the correspondence documenting that the Program was notified of its rights and that due process was followed.
- I. If the CoAEMSP Board of Directors formulates a recommendation that would not change the CAAHEP accreditation status, but includes citations, the recommendation is not forwarded to CAAHEP and a Progress Report is requested of the Program.

XV. PERSONNEL CHANGES

Key Personnel include President/CEO, dean or comparable administrator, and required program personnel to include program director, medical director, and billing contact, lead instructor (if applicable) and assistant or associate medical director (if applicable).

The same individual cannot simultaneously hold the position of Program Director and the position of Medical Director

LoR programs must have a qualified Program Director at all times.

5. A Temporary replacement must possess **at least** the qualifications of Standard III.B.1.b.2 through 6 or Standard III.B.2.b as applicable (see CAAHEP *Standards and Guidelines*).
6. A program may have Temporary Program Director replacement(s) for a maximum of twelve (12) months. This twelve (12) month period begins from the date of the vacancy/absence and cannot be extended. The twelve (12) months is continuous and irrespective of the number of Temporary individuals appointed during that period.

5. If it appears that the absence/vacancy is going to exceed eighteen (18) months, a request for prior approval of a further extension of up to six (6) months may be submitted to the CoAEMSP Executive Office for consideration. However, in no event may a Program Director position be held by acting personnel for more than twenty-four (24) months.

The CoAEMSP Executive Office must confer with the Chair of the CoAEMSP Board of Directors prior to approving any extension beyond the initial twelve (12) month period.

**COMMITTEE ON ACCREDITATION OF EDUCATIONAL PROGRAMS FOR THE
EMERGENCY MEDICAL SERVICES PROFESSIONS (CoAEMSP)**

ACCREDITATION GLOSSARY

Accreditation: is granted by CAAHEP when a program is in substantial compliance with the accreditation Standards. It remains in effect until due process has demonstrated cause for its withdrawal.

Accreditation Standards: is the CAAHEP *Standards and Guidelines for the Accreditation of Educational Programs in the Emergency Medical Services Professions*.

Administrative Probation: is conferred when a program has not complied with administrative requirements.

Attrition: is the percentage of students in a given class who started on the enrollment date, but are no longer enrolled in the program and who the program does not believe have a reasonable likelihood of returning. The Committee requires programs to report attrition in the categories of: nonacademic reasons, general education courses, and professional courses.

Campus-based Program: is a Paramedic program that has a primary location (campus) where groups of students attend at least the laboratory (or similar hands-on skills) professional course(s) of the program. The location would typically be where the Program Director is based. The curriculum may be offered in different scheduling venues (i.e., day, evening, and/or weekend).

Capstone Experience: is a set of activities occurring toward the end of the educational process to allow students to develop and practice high-level decision making by integrating and applying their Paramedic learning in all educational domains.

CAAHEP: is the Commission on Accreditation of Allied Health Education Programs. It accredits Paramedic programs upon the recommendation of CoAEMSP.

CHEA: is the Council for Higher Education Accreditation. CAAHEP is recognized by CHEA in the category of "Specialized and Professional Accrediting Organization".

Citation: is a statement describing non-compliance with an accreditation Standard. The citation includes the text of the relevant Standard, the Rationale for the non-compliance, and the Suggested Documentation to address the non-compliance.

Clinical Experience: is planned, scheduled, educational student experience with patient contact activities in settings, such as hospitals, clinics, free-standing emergency centers, and may include field experience.

CoAEMSP: is the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions.

Consortium Sponsor: is an entity consisting of two or more members that exists for the purpose of operating an educational program. [See accreditation Standard I.B]

Continuing Accreditation: is granted to a program when it is re-evaluated at specified intervals.

Day Venue: is an offering of a Paramedic program in which a cohort of students is expected to complete Paramedic program requirements primarily during the “day” hours as defined by the sponsor.

Distance Education – Method of Instruction: is a formal educational process in which the majority of synchronous and asynchronous instruction occurs when student and instructor are not in the same place. Distance education includes, but is not limited to, correspondence study, or audio, video, and/or computer/internet technologies.

Distance Education Program: is the delivery of the complete program that allows the completion of the entire curriculum without the need to attend any instruction on a campus location. (Note: this delivery is not hybrid or partial e-learning delivery).

Enrolled: is a student who is registered for and participating in academic course(s).

Evening Venue: is an offering of a Paramedic program, in which, a cohort of students is expected to complete the Paramedic program requirements primarily during the “evening” hours as defined by the sponsor.

Field Experience: is planned, scheduled, educational student time spent on an EMS unit, which may include observation and skill development, but which does not include field internship (capstone) team leading and does not contribute to the CoAEMSP definition of field internship.

Field Internship: is planned, scheduled, educational student time on an advanced life support (ALS) unit responsible for responding to critical and emergent patients who access the emergency medical system to develop and evaluate team leading skills. The primary purpose of field internship is a capstone experience managing the Paramedic level decision-making associated with pre-hospital patients.

Inactive Status: a Program with **continuing** accreditation may request a period of inactive status. No students may be enrolled or be matriculated in the program during the time period in which the program is inactive. A program may remain inactive for up to two (2) years, after which, if not re-activated, will have accreditation voluntarily withdrawn.

Initial Accreditation: is the first status of accreditation granted to a program that has demonstrated substantial compliance with CAAHEP *Standards*. Initial accreditation for Paramedic programs is for a period of five (5) years. At the end of the allotted time, the program may be recommended for continuing accreditation or probationary accreditation. If no such recommendation is forthcoming, the Initial Accreditation will automatically expire. A program may request reconsideration of CoAEMSP’s decision to allow Initial Accreditation to expire. However, following reconsideration, the CoAEMSP’s final decision is not appealable.

Lead Instructor: If a majority of an individual instructor’s duties include teaching, paramedic or AEMT course(s) and/or assisting in coordination of the didactic, lab, clinical, and/or field internship instruction, he or she is considered a lead instructor.

Learning Domains: are categories of teaching/learning/evaluation consisting of cognitive (knowledge), psychomotor (skills), and affective (behavior).

Letter of Review (LoR): is a CoAEMSP status signifying that a program seeking Initial Accreditation has demonstrated sufficient compliance with the CAAHEP *Standards* through the Letter of Review Accreditation Self Study Report (LSSR) and other documentation.

Main campus: is the location designated by the sponsor as the primary location of the program and where students attend to complete the laboratory (or similar hands-on skills) professional courses of the curriculum.

Matriculated: is officially recognized by a post-secondary academic institution as admitted to and pursuing a degree or certificate in a particular course of study.

National Accreditation: see “Accreditation”

Probationary Accreditation: is a temporary status of accreditation granted when a program does not continue to meet CAAHEP accreditation Standards, but should be able to meet them within the specified time.

Portfolio: is a skills assessment system that documents the evaluation of the progression of each student over time through individual skills acquisition, scenario labs, and clinical and capstone field internship. This assessment system should represent best practices in education, measurement and documentation of the affective, cognitive, and psychomotor domains.

Program: is a system of Paramedic curriculum delivery that meets all provisions of the CAAHEP *Standards and Guidelines for the Accreditation of Educational Programs in the Emergency Medical Services Professions*.

Progress Report: a report required by the CoAEMSP in follow-up to a site visit, which addresses one or more deficiencies for which the program was cited. These reports are submitted, as requested by the CoAEMSP Executive Office, on a periodic basis until all deficiencies have been corrected, and the program has come into full compliance with the CAAHEP *Standards and Guidelines*.

Retention: is the percentage of students who started on the enrollment date (who began Paramedic coursework) who are enrolled, graduated, or stopped-out (i.e., reasonably expected to re-enroll at a later date).

Satellite: is an off-campus location(s) that are advertised or otherwise made known to individuals outside the sponsor where students can complete at least the laboratory (or similar hands-on skills) professional course(s) *without attending the main campus*. A satellite does not pertain to sites used by a completely on-line/distance education program for individual students. Satellite(s) are included in the CAAHEP accreditation of the sponsor and function under the direction of the Key Personnel of the program.

Scheduling Venue: is the time of day and/or days of the week when Paramedic curriculum is offered. A campus-based Paramedic program may be offered in any of the following venues – day, evening, and/or weekend.

Section: is the delivery of the program to a distinct cohort of students who attend the main-campus for one or more of the laboratory (or similar hands-on skills) professional course(s) of the curriculum. A cohort may be distinguished by time of day for primary completion of the curriculum (e.g., day vs evening), by day of the week for primary completion of the curriculum (e.g., weekday vs weekend), or by contract with a third party for a specified group of students (e.g., employees of a municipal fire service). Each section is reported as a separate enrolled class in the Annual Report. The section would have the same curriculum and same graduation requirements.

Standards: are the *CAAHEP Standards and Guidelines for the Accreditation of Educational Programs in the Emergency Medical Services Professions*, which are the minimum requirements to which an accredited program is held accountable.

Syllabus: is a document that describes a body of instruction (e.g., course). It must include learning goals, course objectives, and competencies required for graduation (Standard III.C), but often includes the course description, days/times of class meetings, required textbooks and other reference materials, attendance policy, evaluations (e.g., test, quizzes, projects, research papers), grading policy, ADA statement, content outline, and weekly topic outline.

Team Lead: occurs during the *capstone field internship experience* in which students apply the concepts acquired and demonstrate that they have achieved the terminal goals for learning established by their educational program, and are able to demonstrate entry-level competency in the profession including the cognitive, psychomotor, and affective learning domains. The capstone experience occurs after the didactic, lab and clinical, and optional field experience components have been completed and of sufficient volume to show competence in a wide range of clinical situations. A successful team lead should be clearly defined for preceptors and students to assist in inter-rater reliability.

Terminal Competencies: are the activities required to successfully complete the Paramedic program.

Venue: see Scheduling Venue

Weekend Venue: is an offering of a Paramedic program, in which, a cohort of students is expected to complete the Paramedic program requirements primarily during the “weekend” hours as defined by the sponsor.

Withdrawal of Accreditation-Involuntary: is conferred when a program is no longer in compliance with the *CAAHEP Standards*.

Withdrawal of Accreditation-Voluntary: is granted when a sponsor notifies CAAHEP that it wishes to remove its program from the CAAHEP accreditation system.

Withhold of Accreditation: is conferred when a program seeking Initial Accreditation is not in compliance with the *CAAHEP Standards*, making it impossible for the CoA to forward a positive accreditation recommendation to CAAHEP.
