

### Our Mission

The mission of the CoAEMSP is to advance the quality of EMS education through accreditation.

### Our Vision

CoAEMSP is recognized as the leader in evidence-based standards for accreditation.

Provide accreditation services for paramedic educational programs globally, taking deliberate action to market our services to an international audience.

Expand accreditation services with the implementation of voluntary AEMT accreditation

Develop an overarching data management strategy that results in efficiency and value for staff and constituents.

## 2023-25 Strategic Plan

Launch communications program that promotes and strengthens relationships through a variety of targeted interfaces

Develop resources and programs to support (new) program directors with the accreditation process.
